Your Concierge to New York City & Beyond

Swargo Events creates moments that are most memorable – the ordinary turned extraordinary! Each program & event is tailored to the client's needs, but is conceived through the eyes of the guests that will experience it. The guest experience is first and foremost! We achieve this by mastering two services...

A NYC Destination Management Company

In a city of 8 million people, the possibilities are endless. We pride ourselves on finding the unique insider experiences your guests can brag about. Swargo does produce programs worldwide, but we specialize in New York City, our home base and surrounding eastern seaboard cities.

A Full Service Event Producer

Swargo Events produces events by understanding your goals and turning your budget into a customized, once-in-a-lifetime event. Swargo harmonizes all the event elements through an integrated process of idea & theme creation, budget implementation, vendor/venue selection and on-site management.

NO TWO PROGRAMS ARE EVER THE SAME.

Insider Experiences

Guests love to feel they are experiencing something unique. We base programs on that notion. Whether it's gaining access to something that most people cannot, or arranging experiences that others could not, Swargo has relationships to create a unique experience tailored to your budget and timing.

Full Service Ground Transportation

Ground Transportation with VIP Airport Greets is our expertise. With a fleet of vehicles at our disposal, we implement full manifests and ensure a quality first impression. From specialty vehicles to helicopters, we can creatively transport your guests in style.

Access to Venues, Restaurants & Hotels

In New York you can tour the world by eating at a different restaurant each night. The options can be daunting. Let us select the perfect venue for your event using our vast network of relationships with both established and up-and-coming restaurants. Swargo has other options to hold your event as well, including landmark public spaces, open air rooftops and hotels.

Sporting Event Tickets & Related Events

Yankees, Mets, Nicks, Jets and Giants. Need that suite at the game? How about having a player or sportscaster visit your group after the event? While you're there, why not tour the park before or after the game? Want to play softball on the outfield of Yankees Stadium? You get the idea...

Anything Broadway

Tickets, backstage tours, cast talk-backs, make-up demonstrations, Broadway stars visiting your event and private Broadway performances are just samples of what can be done with the "Great White Way." We can arrange for your group to have dinner at the theatre privately before the show!

Team Building Experiences

Any event can be turned into a bonding experience. Some examples include: Wine & Spirit challenges, cook-off's with celebrity chefs, escape rooms, murder mystery dinners, and a NASCAR pit crew challenge.

There Is a World Outside of New York

There are plenty of things to see and do outside of the concrete sandbox, ranging from hot-air ballooning to shopping at Woodbury Commons. We can continue the fun in DC, Boston, Philadelphia, Baltimore, New Jersey, Connecticut and Upstate New York.
